WILDLIFE SAFARI CAN OFFER YOU A SELECTION OF EXOTIC EXTENSIONS IN EASTERN AND SOUTHERN AFRICA TO ADD TO ONE OF OUR "SIGNATURE SAFARIS" OR WE CAN COMBINE ANY OF THESE LOCATIONS TO CREATE YOUR OWN PRIVATE JOURNEY.

1 Zanzibar – small and exotic Indian Ocean island just off the Tanzanian mainland once ruled by Omani sultans. Spend a few days exploring the historic Stonetown precinct or just relaxing at a beach resort. Wildlife Safari has a choice of small, boutique hotel in Stonetown or on one of Zanzibar's pristine beaches, or both.

2 Victoria Falls – one of the world's natural wonders on the Zambia & Zimbabwe border where the Zambezi River cascades over. View the mighty Falls on foot, aircraft, helicopter, boat or whitewater raft and be awed by its sheer size and power. Wildlife Safari offers hotels and lodges in both countries, with easy flight access from Johannesburg or Nairobi.

3 Kruger National Park is surrounded on its western border by a patchwork quilt of small, private wildlife sanctuaries each with one or more luxury safari lodges. Game viewing by open vehicle or on foot with an armed guide (mainly for atmosphere) and tracker. While it's not the massive numbers of wildlife as East Africa, the species biodiversity compensates and is easily reached by air from Johannesburg or Livingstone.

4 Rovos Rail – any visit to Southern Africa would be incomplete without a journey on Rovos Rail, the world's most luxurious train. Frequent departures from its base in Pretoria to Cape Town and Victoria Falls on exceptional, all inclusive, three day journeys are available year round as well as special departures to Durban, Namibia and Tanzania.

5 Okavango Delta – the world's largest system of waterways fed by the clear waters filtered through the Kalahari Desert. It's a pristine wilderness with a multitude of wildlife species. Small intimate safari camps built on islands within the delta offer excellent accommodations and cuisine, while your guides will show you a unique part of Africa. Excellent air connections exist from Johannesburg, Victoria Falls or Windhoek.

6 Cape Town – Africa's "Mother City" is one of the most beautiful, cosmopolitan cities in the world, home to the most dynamic mix in multicultural South Africa. Wildlife Safari has something for everyone, luxury hotels, quaint inns, fabulous cuisine, fantastic shopping and vibrant entertainment, all with some of the friendliest people anywhere in the world.

7 Seychelles, Mauritius & Madagascar – three Indian Ocean island nations each unique, with something for everyone. The Seychelles comprise over a hundred islands, most uninhabited, but a few others with pristine beaches and outstanding resorts. Madagascar is the fourth largest island in the world, with rare flora and fauna, waiting to be discovered by adventure minded travellers. Mauritius, a sub tropical island in the southwest Indian Ocean, has been a cultural crossroads for centuries and is now at tourism crossroads, with numerous luxury resorts and attractions.
