

ABU DHABI

Steeped in the ancient culture and heritage of Arabia, Abu Dhabi brings together old world tradition and cosmopolitan sophistication. The capital city of the United Arab Emirates and also the name of the largest of the seven emirates Abu Dhabi was founded on trading pearls and dates. These days the trading is in oil and finance and as a result Abu Dhabi has emerged from a humble desert settlement to a modern gleaming city.

Abu Dhabi offers something for everyone. With year round sunshine, a vast desert interior, rugged mountains, lush green oasis, miles of untouched coastline, over 200 off shore islands, outstanding luxury hotels and resorts as well as modern shopping malls which sit alongside age old souks.
