

MALDIVES

Like exotic gems scattered across the blue velvet of the Indian Ocean, the 1,192 tiny coral islands of the Maldives cover a million square kilometres across the equator just west of Sri Lanka.

The origins of the twenty six unique atolls are lost in ancient history, with records indicating the islands may have been inhabited for over 5,000 years. More recent history shows the Maldives as being part of an important trade route between east and west, settled by people from all over the world who left a strong influence on the people, their religion and culture.

Palm fringed islands with sparkling white, powder-soft beaches, turquoise lagoons, clear warm waters surrounded by coral reefs, and one of the world's most breathtaking views of underwater life...if this is your idea of a tropical paradise, then you've discovered the magic of the Maldives!

The hardest part of a Maldives holiday is deciding which island to call home.

To help make your decision Wildlife Safari has personally selected the finest resorts.

Each private island resort is a tropical paradise where you will enjoy all the privacy and amenities you expect from a luxury resort. Fine food and service, world-class diving, snorkelling, exceptional SPAS, and water sports – or simply relaxing on peaceful, unspoiled beaches.

YOUR MALDIVES HOLIDAY INCLUDES:

- 5 nights accommodation at the resort of your choice.
- All meals as specified.
- Your resort "meet and greet" service & assistance.
- Return airport to your resort transfers by boat, domestic flight or seaplane.
- All hotel service charges & Maldives government taxes.
- Exclusive document wallet, luggage tags & beach bag.

Getting to your resort

Transfers to your resort always depends on the location of your island and the transfer will be by speedboat, luxury launch, domestic flight or seaplane. On arrival at Hulhule Island airport you will be personally met by your resort representative who will advise transfer arrangements.

SEAPLANE FLIGHTS to resorts on the outer atolls may only be flown during daylight hours. A number of international flights arrive in Male late evening so you may be required to spend your first night at a hotel on the island capital of Male or on Hulhule the airport island. Wildlife Safari always includes your first night accommodation in a deluxe room at Traders Male or Hulhule Island Hotel in a superior room for all Maldives holidays that require a scenic seaplane transfer.

BOAT TRANSFERS meet all arriving international flights and dock at the jetty on Hulhule Airport Island and can transfer at any time of the day or night. On arrival at Hulhule Island airport you will be met by your resort representative and escorted to the jetty for your transfer to your island resort.

DOMESTIC FLIGHTS On arrival at Male airport your resort representative will personally escort you to the domestic lounge for your domestic flight transfer. The waiting time for your onward domestic transfer will be kept to a minimum.

Please call for resorts not featured in the Indian Ocean Brochure.
