Wildlife Safari is a Qantas Frequent Flyer program partner so that Qantas Frequent Flyer members earn Qantas Frequent Flyer points on Wildlife Safari land arrangements to Africa (one point for every dollar spent on our safaris) **plus** points earned when you fly on eligible Qantas Airways and One World airline partners. You do not have to fly Qantas Airways to earn Qantas Frequent Flyer points from Wildlife Safari. *Only Wildlife Safari offers Qantas Frequent Flyer points on our luxury safaris to Africa – another Wildlife Safari “exclusive experience”.*
