CREATING EXCEPTIONAL EXPERIENCES

As a pioneer in luxury journeys Wildlife Safari has spent over forty years creating unique luxury travel experiences. We are authentic traditional specialists in the destinations we sell.

The Wildlife Safari story began over forty years ago in Nairobi, Kenya from where this family owned and operated company has expanded into a portfolio including Africa, India, Indian Ocean & Arabia, while our expertise extends to a spectrum of travel experiences from luxury safaris to idyllic escapes, romantic honeymoons and family holidays.

Wildlife Safari specialist consultants are passionate about travel. They have ventured to all of our destinations, sampled unique elements of their journey while constantly searching for new experiences and new places.

Our consultants are delighted to share their experiences to guide you to the finest resorts, boutique hotels, remote hideaways and private islands to find one that's perfect for you.

Meticulous planning goes into every aspect of your Wildlife Safari journey as we take care of every detail of your entire itinerary. From the most comfortable style of travel, the special places you will visit, the remarkable people you will meet, the unexpected, unique experiences along the way, all of which adds up to the difference in everything we do.

Great travel experiences are seamless and should contain no distractions from experiencing the best of wildlife, scenery, people, history and culture.

THE ISLANDS OF THE INDIAN OCEAN have become an exotic melting pot of many peoples and cultures. Persian and Chinese traders sailed the monsoon winds across the Indian Ocean to Africa for exotic treasures, spices and slaves. Portuguese, Dutch, French and English explorers later traversed the Indian Ocean to establish their colonial empires.

At Wildlife Safari we have been helping travellers discover the exotic allure of Africa, India, Arabia and islands of the Indian Ocean for over forty years. We have personally selected the most desirable resorts and hotels and designed the perfect private journeys on the islands of Mauritius, Seychelles, Maldives, Sri Lanka and Madagascar.

Our staff of Indian Ocean experts have travelled to every island searching for the finest beach resorts, hotels, villas and spa retreats for your idyllic island holiday or honeymoon. The hardest part is choosing where to go but once you have made your reservation with Wildlife Safari rest assured that your arrangements will work seamlessly.

ONE THING IS CERTAIN, THE INDIAN OCEAN HAS SOMETHING FOR EVERYONE.

GREAT COMBINATIONS

Combine your stay in Maldives, Mauritius or Seychelles with another Indian Ocean island destination for a holiday or honeymoon of a lifetime. Experience the colour and culture of Sri Lanka with a luxury resort island stay in Maldives or combine a safari with days full of game viewing in Kenya with a relaxing stay on a private island in the Seychelles. Start your adventure in Madagascar in search of lemur and other exotic creatures and end with a relaxing resort stay in Mauritius. The combinations are endless. Wildlife Safari are experts in creating exceptional holidays. Ask us to custom design a unique holiday just for you.

ROOM CATEGORY

Why not upgrade to a higher room category for that extra space, indulge in the luxury of an overwater villa, the privacy of your own plunge pool, or splurge and stay in a villa with your own personal butler and private chef. It's your holiday!

Wildlife Safari can arrange your holiday or honeymoon to other islands and resorts not featured in our brochure – island resorts in the Maldives, resorts in Mauritius, Sri Lanka, Reunion, Rodrigues, Mozambique, Zanzibar, Lamu or your own private island in the Seychelles. Our team of Indian Ocean specialists can also custom design a private journey to Sri Lanka or Madagascar.

TRAVEL IN STYLE

Wildlife Safari includes return PRIVATE vehicle transfers to your resort. After your international flight, which in most situations is a long flight from Australia it is reassuring to receive a warm welcome with our personal meet and greet in the arrivals hall. You will be escorted immediately to your vehicle with your driver for your transfer directly to your resort. A private vehicle transfer eliminates long shuttle bus transfers where other guests are dropped off at various hotels on the way to your resort. Arriving in style is the perfect start to an Indian Ocean island holiday.

For the Maldives we include your return transfer which will be either by resort boat, sea plane or domestic flight depending on the location of your resort. All transfers are on a share basis. Private boat and sea plane charters are available on request.

On our private journeys in Madagascar and Sri Lanka your chauffeur guide is with you for your entire journey and will be there to warmly welcome you on your arrival.

WILDLIFE SAFARI RESORT RATING

There is no official rating of resorts in the Indian Ocean so to assist with making the right choice Wildlife Safari has created a rating based on resort facilities and our personal experience at each resort. Please use the rating as a guide to choosing your resort, or simply ask us to recommend a resort perfect for you.

MALDIVES

Like exotic gems scattered across the blue velvet of the Indian Ocean, the 1,192 tiny coral islands of the Maldives cover a million square kilometres across the equator just west of Sri Lanka.

The origins of the twenty six unique atolls are lost in ancient history, with records indicating the islands may have been inhabited for over 5,000 years. More recent history shows the Maldives as being part of an important trade route between east and west, settled by people from all over the world who left a strong influence on the people, their religion and culture.

Palm fringed islands with sparkling white, powder soft beaches, turquoise lagoons, clear warm waters surrounded by coral reefs, and one of the world's most breathtaking views of underwater life...if this is your idea of a tropical paradise, then you've discovered the magic of the Maldives!

The hardest part of a Maldives holiday is deciding which island to call home. To help make your decision Wildlife Safari has personally selected the finest resorts for a memorable holiday. Each private island resort is a tropical paradise where you will enjoy all the privacy and amenities you expect from a luxury resort. Fine food and service, world class diving, snorkelling, exceptional SPAS, and water sports or simply relaxing on peaceful, unspoiled beaches.

WILDLIFE SAFARI PRICING

Our pricing aims to give an indication of the cost during low season. Low season usually falls between the months of May to October. Prices are based on two persons sharing in the room category stated and include return transfers. Extra nights, other room categories, child prices and single supplements are available on request.

International airfares are not included. Please call for the latest airfares.

GETTING TO YOUR RESORT ISLAND

The style in which you travel to your resort will always depend on the location of your island resort. Transfers range from resort boat, luxury launch, domestic flight and resort boat transfer or by scenic seaplane. You arrive at Ibrahim Nasir International Airport on the island of Hulhule which is just a short dhoni (traditional Maldivian boat) or speedboat ride to Male, the capital of Maldives.

On arrival at Ibrahim Nasir International Airport you will be met by your resort representative who will advise details of your transfer arrangements and personally assist you with your transfer.

BOAT TRANSFER

Resorts which require a boat transfer depart from the jetty on Hulhule Island. No matter what time of day or night your international flight arrives you can immediately transfer to your resort. On arrival at Ibrahim Nasir International Airport you will be met by your resort representative and escorted to the jetty for your boat transfer to your private island resort.

SEAPLANE FLIGHT

A scenic seaplane transfer to an island resort located in the outer atolls may only be taken during daylight hours. A number of international flights from Australia arrive late at night so you may be required to spend your first night at a hotel on Hulhule, the airport island or on Male. Wildlife Safari includes your first night accommodation in a superior room at a hotel on Male or Hulhule for Maldives holidays which require a seaplane to resort transfer due to late arrival.

DOMESTIC FLIGHT

Several local islands have domestic airports which provide an alternative style of transfer to the resorts situated in the outer atolls. On arrival at Ibrahim Nasir International Airport your resort representative will personally escort you to the domestic lounge for your flight. Waiting time for your domestic flight will always be kept to a minimum. After landing at the domestic airport a resort representative will meet you and escort you to the jetty for your resort boat transfer and the final leg of your journey to your private island resort.

MAURITIUS

Mauritius is an idyllic sub-tropical island surrounded by unspoiled white sandy beaches, with sparkling turquoise waters naturally protected by the beautiful coral reefs which almost encircle the island.

First discovered by Arabic traders and subsequently claimed by the Portuguese, Dutch, French, and finally occupied by the British, Mauritius became independent in 1968. The population of just over one million is a fascinating and vibrant cosmopolitan mix of Europeans, Asians, Africans and Indians.

Mauritius is the perfect all-year-round destination, with temperatures in the mid 20s between April and October, rising to the low 30s in the summer months between November and March.

Mauritius is an exotic island holiday destination, to be enjoyed on its own or in combination with a safari on the African continent or on another Indian Ocean island.

The Wildlife Safari portfolio of Mauritius luxury resorts has been personally selected by our team of dedicated Indian Ocean experts. Our collection of resorts is based on personal experience and intimate knowledge of the destination and the resorts. We carefully consider each property for their location, quality, cuisine, appeal and value to select the finest resorts for our brochure.

DISCOVER MORE THAN ONE ISLAND

RODRIGUES

A dependency of Mauritius, Rodrigues is 563 kilometres to the east of Mauritius and easily reached on a scheduled daily flight from Mauritius. Little known Rodrigues offers an unforgettable introduction to an island life of tranquility.

REUNION

Reunion the southernmost *department* of France just 800 kilometres east of Madagascar is one of the world's last remaining colonial possessions with Mauritius and Seychelles as its nearest neighbours. Reunion is enchanting with mountains dominating the island, rainforests along the sandy coast, with lots of history, legend and character.

The island was once a vast volcano which collapsed to leave a vast jagged interior. In the centre of the island are three massive cirques (valleys), Mafate and Salazie are inaccessible and can be viewed by experienced hikers or by scenic helicopter flight while the third cirque, Cilaos has a quaint town and can be reached by vehicle.

Although the island has the reputation as a nature destination Reunion does offer a select number of beach resorts. Reunion combines perfectly with Mauritius, Madagascar or Seychelles for the ideal Indian Ocean Island holiday.

TRANSFER IN STYLE

Wildlife Safari provides private vehicle transfers for your Mauritius Island Holiday. For some extra luxury, you may choose to upgrade to a 'legendary' Jaguar transfer or enjoy the thrill of a private helicopter transfer. Ask for details.

MADAGASCAR

Madagascar, the island of scents, with unique flora and fauna and an incredibly diverse terrain is like nowhere else on earth. The fourth largest island in the world Madagascar sits 300 kilometres off the coast of Africa.

Madagascar offers a wealth of fascinating places to visit from the tranquility of the forests, bustling cities, pristine beaches, with an underwater world of dazzling corals and marine life, and truly exotic flora and fauna.

Historically the island was a land of conquest, shipwrecks, massacres, piracy and slavery. It is believed Arabs settled as early as the 9th century, the Portuguese arrived in 1500, followed by a succession of Merion Monarchs. In 1896 the island became a French colony and gained independence in 1960.

Unlike its island neighbours in the Indian Ocean, Madagascar has been relatively isolated from the outside world and remains one of the world's great undiscovered eco tourism destinations.
