

Our all inclusive "Signature Safaris"

Wildlife Safari has created a selection of all inclusive luxury "Signature Safaris" through Africa that feature exceptional quality with unbeatable value. Visit the best locations for wildlife viewing and sightseeing and stay at the best hotels, lodges, camps & Nile cruise ships with the services of our finest guides and our "exclusive extras".

GUARANTEED DEPARTURES

Every "Signature Safari" will operate on the published departure date with a minimum of just two passengers with the same itinerary, prices and inclusions outlined in the brochure. "The Family Safari" is priced to operate with a minimum of two adults & two children.

THE WARMEST WELCOME IN AFRICA

Your "Signature Safari" experience starts with the moment you arrive at your destination. A designated customer service manager will meet you on arrival at the airport, escort you to your hotel, provide a welcome safari briefing and arrange any additional sightseeing, dining or other requirements. You also receive a welcome pack and meet your Wildlife Safari guide.

YOUR OWN PAIR OF TASCO BINOCULARS

Every passenger will receive a pair of TASCO binoculars to keep. TASCO delivers full size quality with compact size convenience and you may carry them in your pocket. No more sharing binoculars while game viewing.

WELCOME & FAREWELL DINNERS

In addition to breakfast, lunch and dinner every day on safari, and on your Nile cruise, all guests enjoy a special welcome dinner at the "Café Magreb" and an exceptional farewell dinner at "The Mandhari", the finest restaurant in Nairobi, for all safaris visiting Kenya. We plan to introduce our "dining with a difference" program for South Africa during 2008.

EXCLUSIVE 4WD VEHICLES

All "Signature Safaris" in East Africa are operated exclusively by Wildlife Safari custom designed 4WD vehicles with a maximum of four or six guests (depending on the vehicle type) and accompanied by one of our senior guides. Every 4WD vehicle has been built to our specifications and is equipped with comfortable seats, UHF/VHF radio system, cool boxes with bottled water and selection of field guides. Enjoy game viewing in areas that most other vehicles cannot access.

EXCEPTIONAL SAFARI GUIDES

Only the best Wildlife Safari guides accompany our "Signature Safaris" so you will have one of our experts during your entire safari in Kenya & Tanzania. We have also selected some exceptional guides in South Africa and Egyptologists for our journeys through the ancient kingdoms of Egypt.

CITY SIGHTSEEING TOURS

Our "Signature Safaris" include a comprehensive sightseeing tour of the major cities, like Nairobi, Cairo, Johannesburg and Cape Town, visiting the major places of interest as well as some unique spots. Our customer service manager arranges Nairobi sightseeing tours according to flight.

BOTTLED WATER THROUGHOUT

Wildlife Safari provides complimentary bottled water in our safari vehicles. Every hotel and safari lodge also offers a full selection of beverages available for purchase during game viewing.

OUR OWN WINE CELLAR

Wildlife Safari maintains a wine cellar at our Nairobi head office stocked with a selection of Vasse Felix wines from the oldest winery in Western Australia for our special passengers to celebrate a special occasion on safari. It's just another special aspect that sets Wildlife Safari apart from every other safari company.

OUR EXCLUSIVE "SAFARI SHILLINGS"

Wildlife Safari "SAFARI SHILLINGS" vouchers give our passengers shopping credits while on safari. These vouchers are redeemable for handicrafts and artifacts in a select number of boutiques. Every passenger will receive some "SAFARI SHILLINGS" – another Wildlife Safari exclusive, together with a list of exclusive boutiques that accept our "SAFARI SHILLINGS".

DOUBLE QFF POINTS

Earn double QFF points on our 2008 "Signature Safaris". That's two QFF points for every dollar spent on your safari. Conditions apply. Please contact Wildlife Safari for details.
