

Wings Over Botswana

7 DAYS – FLYING SAFARI OVER BOTSWANA

Botswana is “the” destination for the intrepid traveller looking for adventure with luxury. The Okavango delta is Botswana’s best known natural attraction, an inland waterway covering thousands of square miles with narrow channels and lagoons. Wildlife flourishes in this pristine environment which also attracts hundreds of bird species. Our Wings Over Botswana safari is the ideal introduction to this fascinating country as you travel to Chobe, Moremi and Okavango, each offering a very different mode of game viewing activities.

DAY 1 + 2

CHOBE

Morning arrival in Maun, Botswana where you will connect to your light aircraft flight to Savute Safari Lodge, a luxury lodge in the Savute channel inside Chobe National Park. Your timber, glass and thatch chalet has a private viewing deck and you will enjoy two days of game viewing activities in special open vehicles in search of the “big cats” with your camp guide.
