

Wings Over Tanzania

9 DAYS – FLYING SAFARI OVER TANZANIA

Our Wings Over Tanzania safari covers the entire length of wildlife sanctuaries of northern Tanzania while staying at luxury safari lodges and safari camps built in the best locations. Your flying safari commences with a flight from Nairobi to Arusha from where you drive to Ngorongoro crater for two nights. Continue to the vast Serengeti, staying at two locations while following the herds that traverse the grasslands, finishing in the Grumeti area, close enough to cross into the Masai Mara for a few more days on safari.

DAY 1 ARUSHA

Arrive in Nairobi, Kenya where you will be meet and escorted to the Nairobi Serena Hotel. A welcome safari briefing by your Wildlife Safari manager followed by an afternoon sightseeing tour of Nairobi with welcome dinner at your hotel.
NAIROBI SERENA HOTEL (D)

DAY 2 + 3 NGORONGORO

Late morning transfer to the airport and board your flight to Arusha, Tanzania. You will be met on arrival and escorted to a local restaurant for lunch. Continue this afternoon by 4WD vehicle with your guide to Ngorongoro crater, arriving late afternoon at your safari lodge built on the rim of the crater. Descend by 4WD to the crater floor early next morning and enjoy a picnic breakfast before spending the morning game viewing. The crater floor is home to numerous wildlife species including lion, rhino, elephant, leopard, cheetah and buffalo. Ascend the crater wall to your lodge for a late lunch with a late afternoon trek along the crater rim with your lodge naturalist.

DAY 4 + 5 SERENGETI

Morning drive to Serengeti, stopping at Olduvai Gorge, the world famous archaeological site. The small museum contains an excellent display of Stone Age artefacts. Enter the Serengeti National Park, home to some of the largest animal herds on the planet. A leisurely game drive will bring you to your safari lodge in the heart of this vast wildlife sanctuary. Two days of game viewing with your 4WD and guide. The optional dawn hot air balloon ride over the Serengeti is a unique means of wildlife viewing.
